TODAY: **Nancy Shelton**, Director of Development at MYCS

Last meeting: **Olivia Greene**, BPHS Senior Student of the Month

Olivia is involved in 3 clubs – Ways and Means, National Honor Society and DECA, of which she is co-president. She will compete in Hershey and possibly nationals for DECA, with a project on Artis Senior Living. She is also employed there, having started as a volunteer and then hired 2 years ago.

Olivia was also honored at the Medallion Ball for doing over 150 hours of community service during her high school career. She is also serving an internship with the Bethel Park Foundation.

Duquesne University is Olivia's next step with a degree in supply chain management.

Dr. Thomas Sisk, MD, postponed from speaking and will reschedule.

Other news:

Renee King visited a 2nd time and intends to apply for membership in the club. She asked the club to pray for her niece, Jennifer, who is the last stages of breast cancer.

Gary, Mary Ann and Bob attended an evening club meeting and discussed Rebuilding Pittsburgh plans. A home in South Park has been chosen and plans are underway. It was a good meeting and connection. One of the members even graciously paid for their meals.
